ORGANISATIONAL FLOW CHART SMCS

EXPLANATION

The school began as, and continues to be, a ministry of Cooma Baptist Church (CBC).

CBC set up the company SMCS Ltd, a not-for-profit organisation, which consists of CBC church members who have also chosen to become company members.

SMCS Board members, as per the Constitution of SMCS Ltd, are drawn from the SMCS Ltd membership.

The rest of the flow chart is fairly self-explanatory.

SMCS Board is accountable to CBC for its leadership of the school.

The Parents & Friends Fellowship of SMCS (P & F) is a type of community forum established by the Board to enable communication between the Principal and staff, and parents and friends of the school. Board members may also attend this meeting if available.

The Chair of the P & F is chosen and approved by the Principal each year. The P & F Chair calls a P & F evening meeting once each term and minutes of these meetings are tabled at the next available Board meeting.

If you have any further questions about this chart please direct them to the Principal.

Whilst the school is a ministry of CBC it does not regard itself as a “Baptist” school and welcomes all denominations and backgrounds. The school is, however, quite transparent and forthright in its expression of its Christian beliefs and values.
