

## Snowy Mountains Christian School scholarship application form – new students

### Introduction

At Snowy Mountains Christian School, scholarships may be offered to new students. Each application for a scholarship is assessed on its merit by the School Board and successful applicants may be awarded a discount on tuition fees of half, three-quarters or even more of the full amount. Scholarships for new students apply for the duration of Primary School (Kindergarten – Year 6) OR High School (Years 7-10), although each scholarship is conditional upon a yearly review of satisfactory student behaviour and achievement.

An enrolment interview will also contribute towards the Board's assessment of this application.

### 1. Your details

Student Name: \_\_\_\_\_ School Year \_\_\_\_\_

Parent/Guardian's Name: \_\_\_\_\_
